Thank you for considering Harlow College.

At Harlow College, we offer a whole range of courses for adults, with the opportunity to learn online, take classes in College, or a mixture of the two, all designed to help you with your personal or professional development.

We are Ofsted graded Good as a College and have excellent teachers who can help you develop your skills. We also have great links with industry and access to a wide range of professional resources.

Some of our courses are completely free - for example, those on offer through the Government designed Free Courses for Jobs. For others, help may be available towards the cost of your College course, as well as maintenance, with either a 19+ Advanced Learner Loan or a loan or grant from Student Finance England. If you are under 19 at the start of your course, some of these courses will be free.

We value all our learners at Harlow College and welcome applications from all ages and experience. So, whether you are 19 and taking your first steps in further education, or 66 and looking to retrain, we look forward to hearing from you.

Karen Spencer,
Principal, Harlow College

Our Level 2 e-learning courses are free if you are aged 19 or over on 1st September 2024, you live in England and meet the residency eligibility criteria. For more information contact our Admissions team.

ACCESS TO HIGHER EDUCATION

An Access to Higher Education course is a 1 year pre-university course that prepares adults for study at university. This course is ideal if you have been out of education for a while, are planning a career change or are looking to upskill in your current job. A typical Access course is 2-3 days a week, 9.30am-3pm and are taken by students of all ages and backgrounds.

Most Access to Higher Education students pay for their course with a 19+ Advanced Learner Loan. Any outstanding Advanced Learner Loan balances you owe for an Access to HE course will be 'written off' once you complete a higher education course. This means you do not have to repay it.

It's really easy to apply for an Advanced Learner Loan. Simply contact our friendly Admissions team who will explain everything you need to know and get you started.
